DESCRIPTION

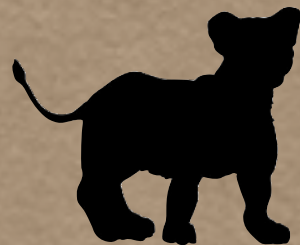

The Tembe Pride is one of the largest prides in the Zambezi Delta. The pride consists of four adult females and 7 cubs. All females are originally from Tembe Elephant Park in South Africa.

REPRODUCTION

The pride has 7 six-month-old cubs from **TEM-F003** (3) & **TEM-F004** (4)

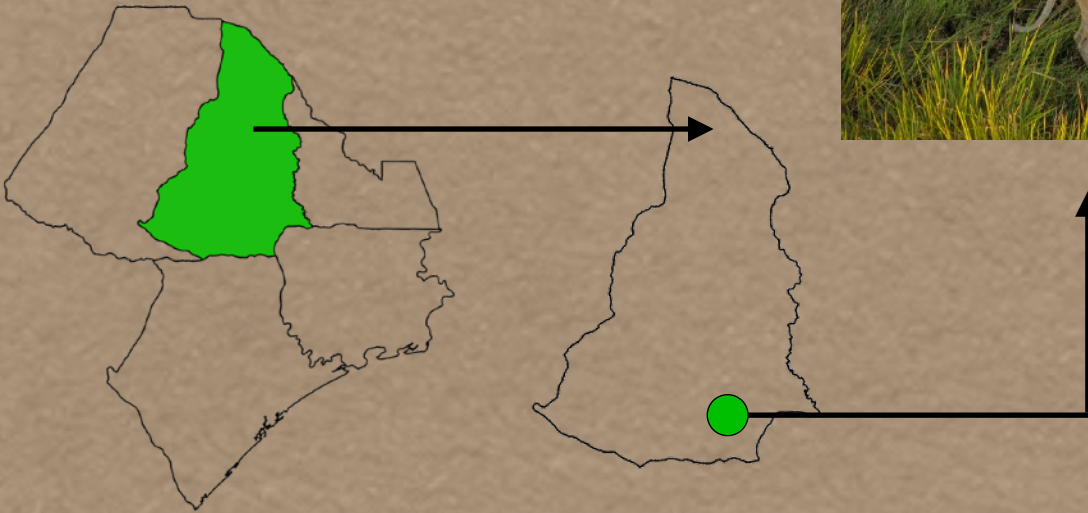

TEM-F002 recently gave birth to cubs (numbers to be confirmed)

+7

AREA

The Tembe pride established a fixed home range in an area known as Beto's Island in Coutada 11.

HUNTING

The Tembe Pride mostly hunt around Beto's Island (pictured below), using the palm trees as cover to ambush their prey.

MAIN PREY

Warthog
