

ZAMBEZI DELTA LIONS

MAK PRIDE

Pride Name	Mak Pride
Members	MAK-F001, MAK-F002, MAK-F003 & MAK-F004
Nr of Cubs	11
Pride Area	Coutada 10
Main Prey	Warthog

DESCRIPTION

The Mak Pride is the largest pride in the Delta, consisting of four adult females. The pride has recently split apart, but this might only be temporary. All females came from the same pride in Makalali Private Game Reserve in South Africa.

REPRODUCTION

MAK-F001 has three 17-month old cubs

MAK-F002 has three 16-month old cubs

MAK-F003 has three 16-month old cubs

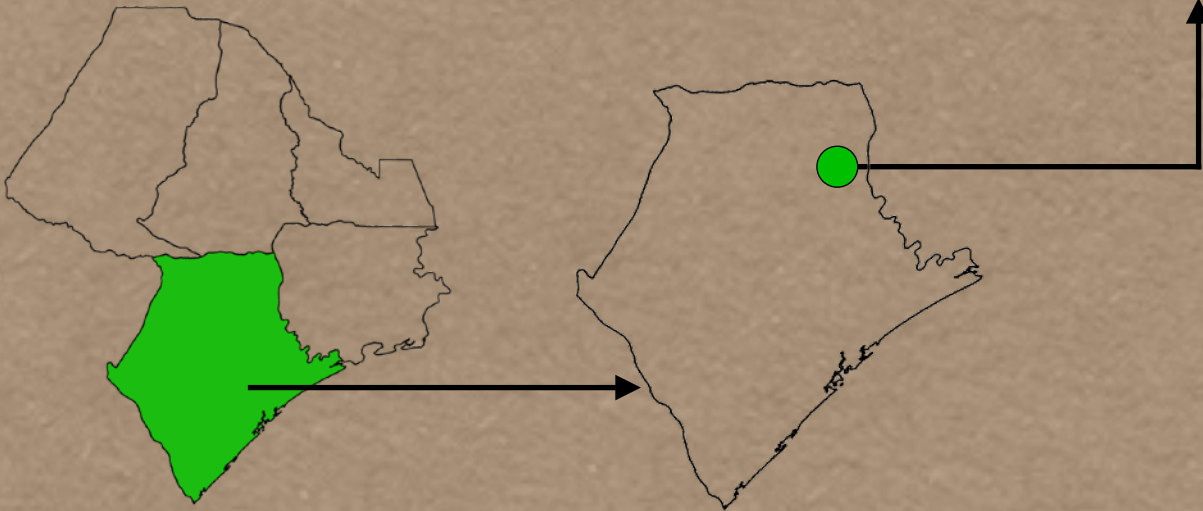

MAK-F004 has two 6-month old cubs

11

AREA

Since their release in 2018, this pride has occupied a consistent area along the floodplain in Coutada 10.

HUNTING

The Mak Pride tends to hunt in the open floodplain early mornings and late afternoon, taking a wide variety of prey species. This was the 1st pride to kill a buffalo.

MAIN PREY

Warthog
